

Authorization To Obtain Personal Credit

I would like to be considered as an obligor for financing. The amount of this financing has not yet been determined. I understand that my participation is integral for the approval of this transaction.

To determine whether I am qualified for this financing, I authorize University Islamic Financial Corporation to obtain a personal credit report, review my personal financial records and those of all businesses in which I have ownership as well as perform other checks that are common and ordinary in for the approval of commercial real estate transaction.

If approved I understand that I am required to annually provide my tax returns and an updated personal financial statement

_____ Date

This is my authorization to have my accountant _____

whose contact information is _____ to provide you any financial information required for the approval of my application. Those documents will include:

1. Last three years of personal 1040 with all attachments, schedules, W-2's and particularly all K-1's
2. Last three years of business tax returns with all attachments and schedules
3. Most recent two end of year and most recent quarterly or monthly financials including profit & loss, income and balance sheets
4. Current paystub or other verification of year to date income

_____ Date
